To Carlozo & Company, P.A.  
MACPA Peer Review Committee

We have reviewed selected accounting engagements of Carlozo & Company, P.A. (the firm) issued with periods ending during the year ended March 31, 2011. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants. The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Our responsibility is to evaluate whether the engagements submitted for review were performed and reported on in conformity with applicable professional standards in all material respects. An Engagement Review does not include reviewing the firm's system of quality control and compliance therewith and, accordingly, we express no opinion or any form of assurance on that system. The nature, objectives, scope, limitations of, and the procedures performed in an Engagement Review are described in the standards at [www.aicpa.org/prsummary](http://www.aicpa.org/prsummary).

Based on our review, nothing came to our attention that caused us to believe that the engagements submitted for review by Carlozo & Company, P.A. with periods ending during the year ended March 31, 2011, were not performed and reported on in conformity with applicable professional standards in all material respects. Firms can receive a rating of pass, pass with deficiency(ies), or fail. Carlozo & Company, P.A. has received a peer review rating of pass.
